

## **Kalkitech Press Release**

# **Kalkitech invited to become an active participant in Bureau of Indian Standards (BIS) involving IEC**

**January 27, 2010**

Kalkitech has been invited to become a participant in the Bureau of Indian Standards (BIS) committees. BIS is a founder member of ISO and is dynamically involved in the activities of the International Electrotechnical Commission (IEC). Kalkitech would be working closely with BIS by sharing the domain expertise captured over the years to suggest and implement latest standards in the control, communication and optimization of power/energy sector.

### **About Kalkitech**

**KALKI Communication Technologies Limited** (Kalkitech) was founded in 1998, with the vision of becoming the leading provider of standard-based Control, Communication and Computing solutions to OEMs, System Integrators and End-Users in the energy industry. Kalkitech solutions are successfully deployed in over 25 countries in 4 continents, across the full spectrum of the energy value chain. Kalkitech has also been empanelled as a SCADA/DMS consultant under the R-APDRP scheme of Government of India. Continuous innovation through research and development is at the core of Kalkitech's corporate philosophy aimed at creating a Whole New World of Intelligent Energy Systems.
