Kalkitech wins India Power Awards for Research & Technology

Delhi, India, November 17, 2009

Kalkitech has been awarded the **2nd India Power Award for Research & Technology**. Kalkitech's SYNC 4000 PDC was considered for the award in the Research & Technology category. An eminent panel of jurists evaluated the nominations and decided to confer this award on Kalkitech. This annual award was conferred on Kalkitech on 17th November 2009 by Minister of State for Power Mr. Solanki at Delhi. This award is yet another recognition of the pioneering efforts of Kalkitech to extend the R&D capabilities in India in the power sector.

Mr. Prasanth Gopalakrishnan CEO of Kalkitech receiving India Power Awards from Guest of Honour Mr. Solanki, Union Minister of State for Power

About Kalkitech
