

Kalkitech Press Release

Kalkitech Participates in CIGRE 2010

Paris, France, Aug 23-27, 2010

CIGRE (International Council on Large Electric Systems) is one of the leading worldwide Organizations on Electric Power Systems, covering the technical, economic, environmental, organizational and regulatory aspects. CIGRE 2010 saw around 4,000 delegates as attendees with over 100 exhibiting companies and industry professionals from different countries across the globe.

Kalkitech was represented by three of our delegates, VP- Sales & Marketing, Mr. Sreeni T S. who is also a registered conference attendee, Mr. Arun Nair and Mr. Shameem PV. Kalkitech organized various product demonstrations and showcased the working of the products on the ground level. The products in focus were (i) protocol gateways, - especially higher end SYNC 3000, ICCP Gateways, etc, (ii) IEC 61850 based SCL Manager and (iii) SYNC OEMs.

About Kalkitech

KALKI Communication Technologies Limited (Kalkitech) was founded in 1998, with the vision of becoming the leading provider of standard-based Control, Communication and Computing solutions to OEMs, System Integrators and End-Users in the energy industry.
